Perfume-free · silicone-free

250 ml · Art.-No. 7695203

## Skin cleaning

Perfume-free · extra mild

250 ml · Art.-No. 7695204

## Skin care

Perfume free · silicone-free

100 ml · Art.-No. 7695201

## absolute skin

Skin protect and skin comfort products should be used before starting to work on pre-cleaned and dry skin. First apply on the back of the hand then between fingers and at nail folds.

For cleaning the skin please only use products which are adapted to the degree of contamination.

After work please apply the skin care product which is adapted to the type of skin.
